Product Description

Honda 21" Self Propel Lawn Mower - HRX217VKA

- Variable speed Select Drive®
- Easy starting Honda GCV200 engine
- 4-in-1 Versamow System™ with Clip Director® - mulch, bag, discharge, and leaf shred

Powerful, reliable Honda GCV200 Engine

Easy-starting, fuel-efficient, and powerful, Honda's premium residential GCV200 engine delivers even more power and torque than its predecessor. The result? Superior mowing performance, and easier and faster cutting, even in heavy, thick grass. Increased power also means increased durability, providing years of reliable service.

4-in-1 Versamow System™ with Clip Director® - Mulch, bag, discharge and leaf shred with no tools or attachments required

Honda's revolutionary Versamow System™ allows you to mulch, bag, discharge, and shred leaves - or even a combination of mulching and bagging! Just slide the convenient Clip Director® knob to choose how much grass is bagged or mulched. No tools or costly attachments are needed. It's the ultimate in convenience and versatility.

Choose your speed: Select Drive®

Easily adjust the mower's speed to your stride by rotating the speed adjust dial. Then engage the Select Drive® control for intuitive, comfortable speed control. Variable speed from 0 to 4 mph.
