Product Description

1-Person Earth Auger Premier

Post digging and tree planting have never been so easy! Engine is powerful yet easy to control, and strong enough to dig up to 32" deep and 10" in diameter.

Drill holes for fence posts, tree planting and new construction! The 1-Person Earth Auger has a 52cc 2-cycle engine that produces plenty of power for digging holes up to 32" deep. The drill rotates at 250 RPMs for controlled ground breaking performance. Plus, the unit weighs just 20 pounds, so it's easy to control.

Wrap-around anti-vibration handles provide multiple hand positions for a sure, comfortable grip.
