Product Description

STIHL AP 300 S Lithium-Ion Battery

Greater battery capacity to cover your needs for the bigger jobs is offered by the AP 300 S lithium-ion battery from STIHL. The AP 300 S features great battery capacity with long run times, as well as an ideal power-to-weight ratio and a weight of less than four pounds. With a weather-resistant design, the AP 300 S is compatible with a wide range of tools, including extended-reach hedge trimmers, pole pruners, chainsaws, and blowers. Knock out tasks like storm cleanup faster with the professional-level performance of the AP 300 S battery from STIHL.

Features:

- IPX4 Rating
- Compatible with AP System
- Full power over the entire run time
- Overload protection
