Product Description

STIHL HSA 26 Battery Powered Handheld Trimmer

Whether you are precisely trimming ornamental plants or pruning and cutting small shrubs and grasses, the HSA 26 battery-powered garden shears deliver unparalleled precision and power for the discerning gardener. Ideal for urban or suburban homeowners living in noise-sensitive areas, the HSA 26 provides more precise and cleaner cuts than the previous model with proven blade geometry that improves plant appearance. With its lightweight construction, ergonomic design, rubberized grips, and two easily interchangeable blades, you get all the comfort, control, and flexibility you need. Part of the innovative STIHL AS System of battery-powered tools, the HSA 26 puts a new level of power and performance in the palm of your hand.
