Product Description

EGO POWER+ Telescopic Power Pole - PPX1000

Introducing the EGO POWER+ Commercial Power Pole. The telescopic shaft easily adjusts to your height for a comfortable fit all-day long and extends to 13.2ft for maximum reach. Made from durable aluminum to withstand rugged professional use. Take advantage of one or both interchangeable attachments: Commercial Hedge Trimmer Attachment (PTX5100) and Commercial Pole Saw Attachment (PSX2500). The intuitive quick clamp makes connecting the Power Pole to either attachment effortless allowing you to get back to work faster. The ergonomic D-handle and dual-trigger positions allow added flexibility for an optimal grip from any angle. Equipped with a rugged impact guard, the battery can endure challenging conditions without hitting the ground. Compatible with all EGO POWER+ ARC Lithium™ batteries (available separately) to deliver Power Beyond Belief™.
