Product Description

Redneck Blinds 2ft Porch Extension

Standard Features Include:

- Made from 3/16" powder-coated bent steel to resist rusting
- Additional Handrails around Platform Extension for safety
- Platform Extension features non-slip punch plate design
- 43" x 24" Porch Extension, when added to an existing platform, gives you a roomy 43" x 48" upper platform with rails to ensure safe entry & exit
- All parts are drilled for a precise fit
- One size nut and bolt for all fittings make for easy assembly
- Black Zinc Hardware resists rusting
- Weighs 110lbs

Extend your Redneck Deluxe Stand's porch an additional two feet with the Redneck Porch Extension. Particularly helpful with youth, disabled hunters, and older hunters, the Redneck Porch Extension, once added to an existing Deluxe Stand Platform*, gives you an additional 2ft of platform space and creates an extended porch of 43" x 48" that allows for easy maneuverability in and out of your blind safely.
