Product Description

Redneck Blinds Camera Mount

The Multi-Purpose Camera Mount is a great way to mount small cameras, trail cameras, and hunting accessories inside or outside our hunting blinds, box blinds, or even a T-post Gravity Deer Feeder!

- Universal ball swivel for 360-degree rotation and tilt
- The mounting arm works with all small cameras, trail cameras & hunting accessories with a standard ¼"-20 tripod mount or 3/8"-16 mount
- All steel construction
- Pre-drilled screw holes
- cut-out notches for t-post installation
