Product Description

ECHO Trimmers...Performance!

What else needs to be said about the world's finest commercial-grade grass trimmers? ECHO's easy-to-use custom ergonomic controls, light-weight design, and powerful professional-grade, 2-stroke engine technologies give you the tools to enhance your productivity. Whether you need a lightweight curved shaft model for simple trimming around posts or fence lines or you to require the long reach of a straight shaft model, ECHO string trimmers are designed for performance.

There are other shaft configurations available including a split shaft design that can accommodate most ECHO Pro Attachment Series™ attachments and ones with a steel drive shaft for increased cutting head acceleration.

Features may include:

- 25.4 cc professional-grade, 2-stroke engine for outstanding performance
- 50% more cutting torque than the SRM-266
- New cylinder/piston plating for increased engine life
- High-capacity Speed-Feed® head for larger line capacity
- 2-stage commercial-grade air filtration for long engine life
- Extra, heavy-duty vibration reduction system for operator comfort
- i-30™ starting system for reduced effort starting
