Product Description

BRD-2620 FEATURES

- 25.4 cc professional-grade two-stroke engine
- 59" straight shaft with flex cable drive for outstanding reach
- Cast aluminum debris shield combined with high-impact nylon shield for reduced material kickback
- Easy start-ability especially for re-starts in hot, dusty climates
- Large 20.6 fluid ounce fuel tank for extended run time between fill-ups
- Replaceable, patented, 6-finger steel blade with brazed carbide tips for durability and performance
- Tool-less access air filtration for convenient in-field servicing
- Two-stage air filtration system dramatically increases cleaning capability and allows for longer maintenance intervals
