Product Description

STIHL BG 86 Handheld Blower

For the toughest landscaping challenges, professionals turn to our most powerful gasoline-powered handheld blower, the STIHL BG 86. It features a fuel-efficient, low-emission gasoline-powered engine, and includes both flat and round nozzle attachments for better job versatility. The blower is also one of our most comfortable to use, with a four-spring anti-vibration system, a soft-grip handle and our ElastoStart™ shock-absorbing starter.
